## Medical Assignment of Benefits and Financial Policy

Please read this document in its entirety.

### Financial Policy, Release of Information, Assignment of Benefits

We are dedicated to providing the best possible care and service to you and regard your complete understanding of our financial policies as an essential element of your care and treatment. If you have any questions, please discuss them with us prior to beginning therapy.

- |  |   |
|--|---|
| <ul style="list-style-type: none"> <li>Your insurance policy is a contract between you and your insurance company. As a courtesy, we will file your insurance claim for you if you assign the benefits to us. In other words, you agree to have your insurance company pay us directly. If your insurance company does not pay us within a reasonable time period, we will have to look to you for payment of the outstanding balance.</li> <li>If you have insurance coverage with a plan with which we do not have a prior agreement, we will prepare and send the claim for you on an unassigned basis. This means your insurer will send the payment directly to you. Therefore, all charges for your care and treatment are due at the time of service.</li> <li>Unless other arrangements have been made in advance by you, or your health insurance carrier, payment for services is due at the time of service.</li> <li>You must inform our office of all insurance changes and authorization referral requirements. In the event the office is not informed, you will be responsible for any charges that are denied.</li> <li>All amount due for services billed by PTS Rehab to a Medicare payor which was subsequently declared by my employer to be a non-eligible claim.</li> </ul> | <ul style="list-style-type: none"> <li>We have made prior arrangements with many insurers and other health plans to accept an assignment of benefits. We will bill those plans with which we have an agreement and will only require you to pay the copayment at the time of service. If you have a copay, you may either pay each time you come for your appointment or you may pay in advance to cover all visits for the week. Once the insurance company has begun to process our bills, if there is a balance due, we will send you a statement each month for the amount you owe – i.e. deductible, coinsurance, copay, until all claims have been processed. Payment is due upon receipt of our bill.</li> <li>All health plans are not the same and do not cover the same services. We will do our best to determine what services are covered by your insurance and let you know if there is a recommended treatment that is not a benefit of your insurance so that you may decide to proceed with the treatment or elect not to have the treatment performed. In the event your health plan determines a service to be “not covered” and we are unaware or you do not have authorization, you will be responsible for the complete charge</li> </ul> |
